To all members of Summerfruit Australia Limited and Levy Payers

I am advising you to give early notification of the:

- **Annual General Meeting of Summerfruit Australia Limited; and**
- **The Annual Levy Payers Meeting.**

These are set to be held on:

Saturday 4, August 2012 in Melbourne at the Atlantis Hotel, 300 Spencer Street Melbourne, Victoria.

This meeting will coincide with the Apple and Pear Australia Limited and Cherry Growers Australia holding their AGM's and Levy Payers meeting so the same day at the same venue.

This has a double intention, first to ensure the meetings can be held on the same day to suit people who may belong to one, two or three of the industries and pay levies to these industries and second APAL is celebrating 10 years and the three peak bodies have decided we should celebrate the event on the night of 4 August with a spectacular Gala Ball.

Please see the registration form for booking details of the Ball event.

The tentative times for the meetings are listed below for your information and we are looking to have social drinks on the Friday Night too if we get enough indicating they will be coming to Melbourne.

Can you make a note in your diaries of the dates and events and I will send you further information soon.

Any questions please give me a call.

Regards
John Moore
