

**Proposal to change
the Summerfruit R&D
and Marketing Levy**

Know-how for Horticulture™

URGENT

Growers must return this form by Friday 19th August 2011.

Dear Stonefruit grower,
Summerfruit Australia Limited is conducting consultations on increasing the current stonefruit levy. Attached is information on the process and the suggestions that Summerfruit Australia Limited is proposing to all growers and levy payers in Australia.
As part of the consultations it is vital that the consultant assisting the consultation process form a list of all levy-paying stonefruit growers for any eventual ballot that may be held.
It is therefore essential that you **register with the consultant by filling in the following information**. This information will be used for the Levy process and will remain with Summerfruit Australia Limited after this process is over. It will not be used or passed to any third party other than the Australian Electoral Commission if there is an independent Ballot on the proposed levy. If you wish to provide objective suggestions or comments at this time please provide on additional pages.

Please print – illegible returns will mean ballot papers may not be sent to the correct address.
